

ቁጥር/Ref No SF/ZS/310

ቀን/Date 19/10/2017. E.C

To: Wondo Genet College of Forestry & Natural Resource, Hawassa University

Wondo Genet

Subject: Acknowledging the archiving of specimens of insect pollinators

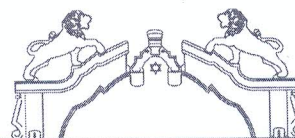

In a letter dated 25/06/25 and referenced 105/1.3.26/25, your college requested the Department of Zoological Sciences to confirm that the Zoological Natural History Museum has received insect pollinator specimens for archiving purposes. Accordingly, our department would like to confirm that the specimens supplied by your college have been archived in our Natural History Museum.

Please also find the catalogue numbers for each specimen archived attached with this letter.

Best wishes

Dr. Araya Gebresilassie

Interim Head, Department of Zoological sciences
